

**YOU'LL NEED:**

- A sharp knife (Take care!) • Sticky tape
- A Ruler • A round pen or pencil
- 15 mins spare time • Small change

**INSTRUCTIONS:**

1. Cut around edge of shape and along all solid black lines. This includes around top of head, ears and sides of mouth as indicated. Don't forget to cut out the money slot.
2. Very lightly score along all dotted white lines and fold.

# TYM-TAM MONEY BOX

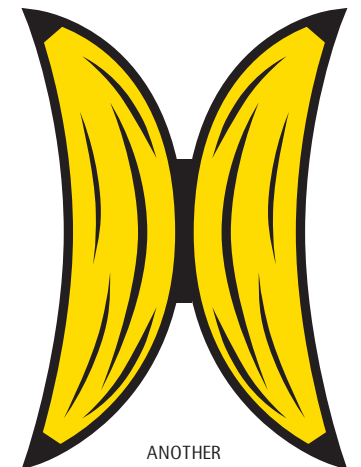

Tym-Tam just loves bananas (don't we all!). But he has a little trouble saving money for his treats. Construct your monkey money box, throw in your loose coins and help Tym-Tam to grow big and strong.

3. Fold his TOP flap behind and tape flap to the back of Tym-Tam. See 1.
4. Fold his LEFT flap behind and tape flap in position. See 2.
5. Fold his RIGHT side behind and tape. See 3.
6. Fold top arms under and tape together and flip feet up.
7. Use the back of a pen to curve the arms under.
8. Cut out banana, fold and tape together and place in his hand.
